Note

- All products are made to order, so speak to us today about lead time.
- Concrete products may display 'efflorescence' (whitening) which is a natural occurrence. We have taken all possible steps to minimise this from occurring in our products.
- To enhance the life and durability and to showcase this product we strongly recommend sealing.
- We advise these products are protected from extreme weather, prior to sealing, to get the best result.
- Speak to us about other products that may be available, or your design ideas.
