

Happy New Year from the team at Bowers Brothers

We hope you had a fantastic Christmas and New Year break with your friends and family. The team at Bowers Brothers are back on board and looking forward to a busy 2019.

We'll be sending out a monthly newsletter from now on to keep you, our clients, up-to-date with everything that's happening at Bowers Brothers Concrete.

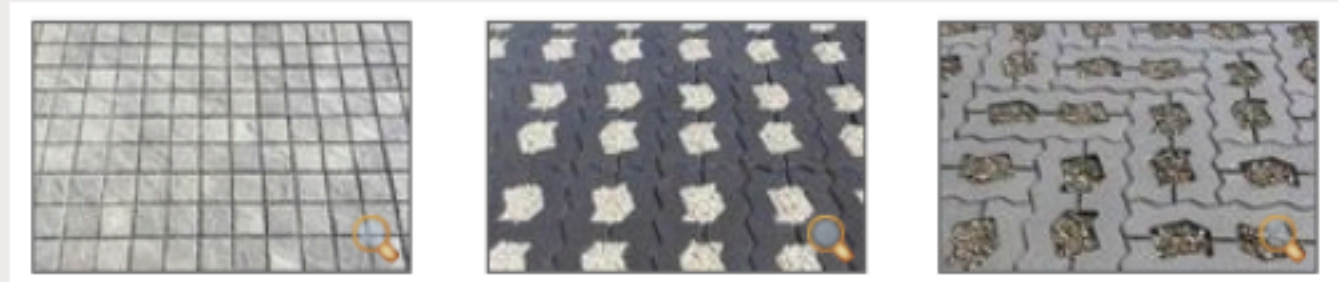

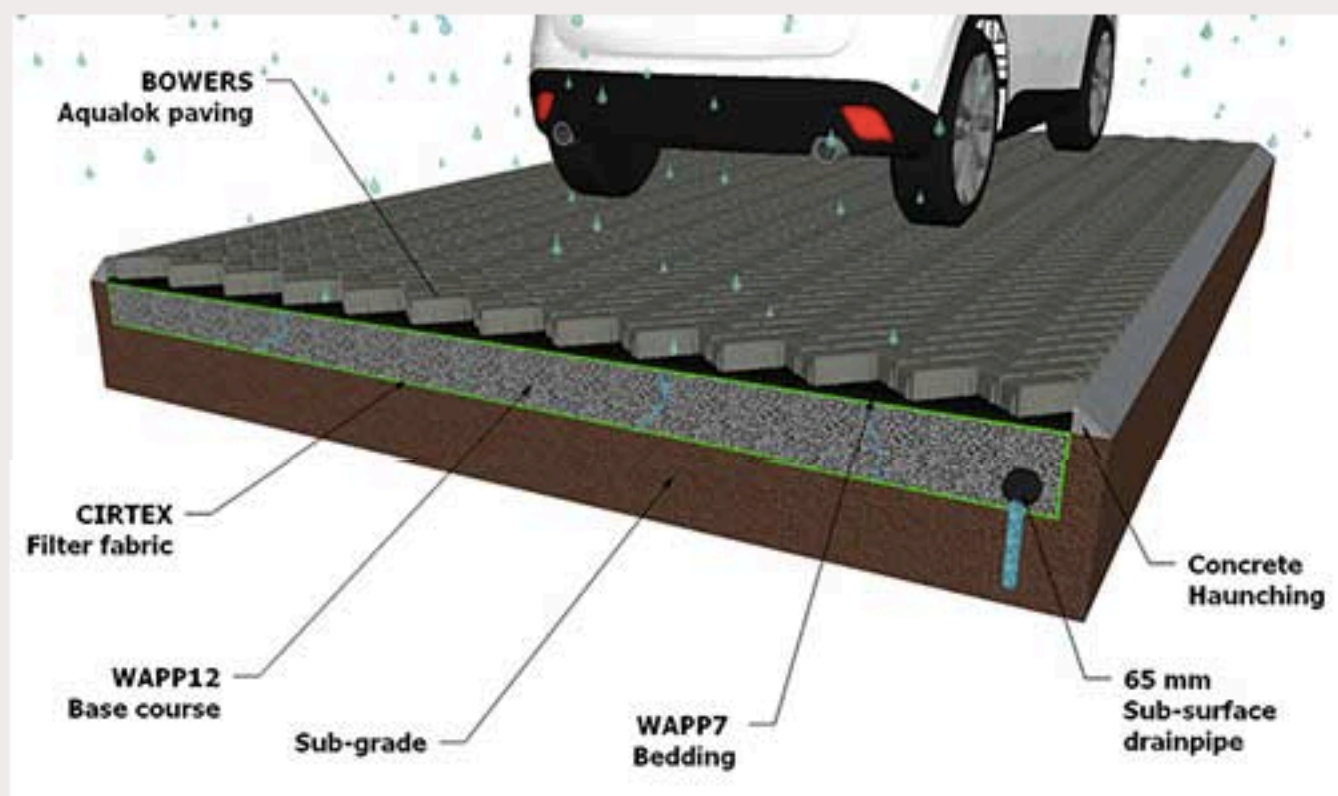

What you can expect: each month we'll introduce you to a new team member, keep you up-to-date with product launches, show you inspiring projects, give you handy hints and let you know about promotions.

Save time and hassle with Permeable Paving!

Our Permeable Paving system allows stormwater to pass through the surface and filter through the substrata layers. As you probably already know, councils all over New Zealand are paying more attention to stormwater management and run-off issues on both residential and commercial sites. The great news is, councils are now aware of Permeable Paving systems and have accepted them happily as a solution for stormwater management - meaning you can offer your clients a more cost-effective choice!

We have a range of colours and new innovative technology to suit almost every building project. They look great and fit in with modern designs.

We would be more than happy to arrange a time to meet with your team to discuss exactly how the systems work and show you some samples.

Meet the Team - Steve Bowers, Managing Director

Steve is our Managing Director and Bowers Brothers Concrete has been a part of his family story for the past 70 years. Steve is the third generation of Bowers to be at the helm of our expanding company. Over the years, Bowers has expanded to include Redimix, Masonary products and Precast.

Brochures and resources

Did you know that we have a range of brochures and resources on our website? It's stacked with lots of free information for you and your clients.

If you're looking for any extra info on bricks, fences, retaining walls and much more, [click here](#) to go through to our website now.

Until next time...

We hope you have a great month, if there's anything we can help you with please don't hesitate to give us a call at any time on 0800 207 374. Keep an eye out for our next newsletter!

The team at Bowers Brothers Concrete.
