

NEW BRICK VENEER COLOUR CHOICES AVAILABLE NOW

We've been busy behind the scenes!

We're always listening to customer feedback and working hard to ensure that we have great colour choices!

This month we are pleased to be launching two new colours. The first new colour to feature in our newsletter is Red Brick (Pictured above). Later this month we'll also share photos of Antique Cream and midnight....both of which are proving popular already!

Meet the Team - **Simon Meredith, Masonry Sales Manager**

Based in Tauranga, Simon has been part of the Bowers Brothers team for 7 years now. As part of his role, Simon is the key point of contact for all of our regular customers in the BOP including our key merchant and building partners. If you have a project and would like advice/pricing [click here to email Simon](#)

Retaining Systems

Want a great-looking, reliable and proven retaining system? Check out the Allan Block, AB Ashlar and Rocklok systems from Bowers Brothers. These hugely successful retaining systems not only look fantastic but are fully-engineered with proven installation systems and exceptional seismic performance stats.

Get our latest retaining brochure and make sure you are fully up-to-date on what's available. [click here](#)

FEATURED WORK

The new Davies show home in Rotorua features shot blasted 1001's

Until next time...
