LEADERS IN THE CONCRETE INDUSTRY FOR OVER 80 YEARS

Meet the Team - Rodney Cossill, Sales representative

Rodney has been with the Bowers Brothers Concrete team for 4 years and brings with him 22 years experience in the building industry. He's our Sales Representative for the Waikato area, so if you have any questions around Masonry and Concrete then he's your guy!

Thank you to everyone that came to see us at Fieldays last week!

We had another fantastic (and very busy) few days at the National Fieldays again this year, with the main focus being on our Pre-cast concrete agricultural product range.
