

We're almost halfway through the year!

It's hard to believe that we are basically at the halfway mark for 2019 and our team is already prepping the site, to show our agricultural range at the national Fieldays in June!

So far, the year is shaping up to be a busy one and the trend looks to be continuing with more and more people enquiring about our Brick Veneer range! The two new colours introduced earlier this year are proving to be popular.

Check out our latest video of Brick Veneers:

Reminder: if you haven't already requested your updated Brick Veneer sample boxes, we have a second batch on the way soon! [Click here](#) to order today.

Are you making these 11 mistakes in your trade business?

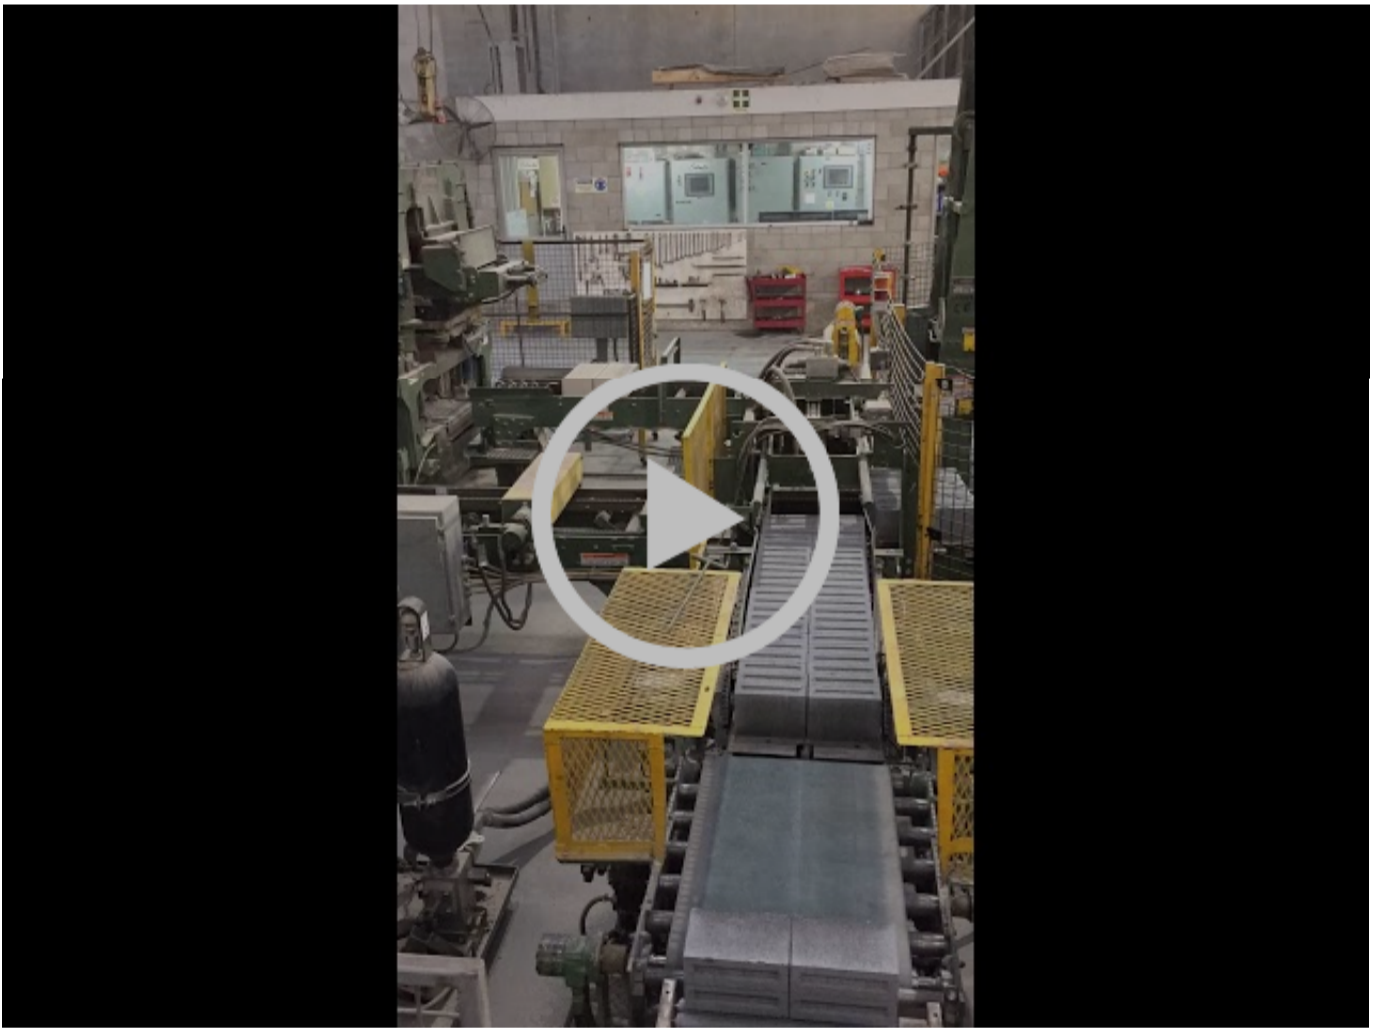

Check out this great article by Daniel Fitzpatrick from Next Level Tradie. A great reality check as we enter the second half of the year.
